## America's Healthiest Club

Prevo Health Solutions, Inc. is the club industry's premier wellness experts with expertise in workplace wellness, member usage, retention and recruitment. Our mission is to improve the overall health of the Private Club Industry through education and sharing of best practices. Our team consists of health professionals, certified nutrition & fitness experts, workplace wellness gurus and engagement specialists. We know what works in the workplace and we know the club industry.

Prevo Health Solutions is also the Executive Producer of the America's Healthiest Clubs, the club industry's only wellness rating system. A Health Score greater than 70% qualifies the club as one of America's Healthiest Clubs, a distinguished third party validation and recognition achievement for a healthy environment. Members of this elite club are able to use the service marks and logos immediately upon receiving the Health Report which will be posted on the Prevo Health website. Prevo Health is headquartered in California.

Being recognized as one of America's Healthiest Clubs is a distinction that is awarded to a small percentage of Private Clubs. Once a club has been properly vetted they can proudly display the service marks on the Club's website, as part of marketing collateral material and within member communications.

### Wellness as a Strategy

Early adopters of wellness in the Private Club industry have proven, a clear Vision, when properly Executed, results in productive associates and active members, lowers health care costs for both employee and employer, and creates sustainable increases in revenue for the club.
